Description

VACUUM SUCTION CUP PAWERFIX WHITE

Louise was a master tile setter, known for her attention to detail and precision. He had been in the trade for over 20 years, and had worked on some of the most prestigious projects in the city. But despite his experience, Louise knew that there was one thing that could make or break a job: safety.

When it came to working with large tile formats, Louise knew that safety was paramount. He had seen too many accidents happen when workers were not careful enough when carrying heavy tiles. That's why he always made sure to use his trusty VACUUM SUCTION CUP PAWERFIX WHITE and VACUUM SUCTION CUP PAWERFIX AUTO

The VACUUM SUCTION CUP was a game-changer for Louis. It allowed him to lift and carry large tiles with ease, without having to worry about dropping them or straining his back. The suction cup attached to the tile, and Louis could simply lift the cup and carry the tile to its destination.

VACUUM SUCTION CUP PAWERFIX WHITE

- The suction cup can hold a weight of 242 lb 110kg
- The suction cup is equipped with a valve for quick release of vacuum to speed up

moving work
