

GRINDING CUP DGS-W 5" GRINDEX

Brand: Distar

Product Code: GRI125GC0005

Availability: In Stock

Dimensions: 0.00in x 0.00in x 0.00in

Price: CA\$90.00

Short Description

The GRINDING CUP DGS-W 5" GRINDEX from DISTAR is a professional-grade tool designed for tackling heavy and reinforced concrete with precision and efficiency. Engineered for durability and ease of use, it is the ultimate solution for demanding surface preparation tasks.

Description

The GRINDING CUP DGS-W 5" GRINDEX by DISTAR is the go-to tool for professionals facing challenging concrete grinding projects. Its advanced design and high-quality construction ensure optimal performance and ease of use, even on the toughest surfaces.

Key Features

- **Increased Diamond Layer:** A robust 8 mm diamond layer guarantees superior durability and long-lasting performance, perfect for heavy-duty tasks.
- **Balanced Construction:** Engineered for precision, the GRINDEX cup minimizes vibrations, allowing for smooth and efficient operation.

- **Lightweight Design:** Easier to handle than comparable products, reducing fatigue during prolonged use.
- **Versatile Application:** Excels at removing old coatings such as paint and epoxy while preparing concrete surfaces for further treatment.

Advantages

- **Enhanced Productivity:** Reduces processing time with its efficient design, ensuring maximum output with minimal effort.
- **Cost Efficiency:** Delivers professional results at lower unit processing costs, making it a valuable addition to any craftsman's toolkit.
- **Reliable Performance:** Built to withstand the demands of heavy and reinforced concrete, ensuring consistent results for every project.

Applications

- **Surface Preparation:** Ideal for leveling and smoothing uneven concrete surfaces.
- **Coating Removal:** Easily removes paint, epoxy, and other stubborn coatings.
- **Heavy-Duty Use:** Designed for reinforced concrete and other challenging materials.

Specifications

- **Cup Diameter:** 5 inches (125 mm)
- **Diamond Layer:** 8 mm
- **Weight:** Lightweight for easy handling
- **Usage:** Suitable for dry and wet grinding

Experience Professional Precision

With the **GRINDING CUP DGS-W 5" GRINDEX**, achieve unparalleled precision and efficiency for any concrete grinding task. Its innovative design and robust construction make it a must-have for professionals aiming to deliver top-notch results.
