

# HAND PAD Diamond Polishing Pad #1

**Brand:** Distar

**Product Code:** 89568442160

**Availability:** In Stock

**Dimensions:** 0.00in x 0.00in x 0.00in

**Price: CA\$29.80**

## Short Description

Professional diamond hand polishing pad for smoothing tile edges, removing chips, and finishing porcelain, ceramic, and stone surfaces.

## Description

### HAND PAD Diamond Polishing Pad

#### Smooth Edge Finishing for Tile & Stone

The **Distar Hand Pad** is designed for fast and comfortable edge finishing on porcelain, ceramic tile, and stone. Ideal for removing chips, smoothing sharp edges, and refining cuts after tile processing.

Built with a rigid diamond working surface, the Hand Pad quickly cleans up imperfections while maintaining excellent control and consistent results. The soft foam backing provides a comfortable grip, making it easy to work for extended periods without hand fatigue.

Its compact rectangular shape and full diamond coverage allow precise polishing even in tight corners and hard-to-reach areas.

---

## Key Features

- **Rigid diamond surface** for fast chip removal and edge refinement
  - **Soft ergonomic backing** for comfortable hand polishing
  - **Full diamond coverage** for consistent contact and smooth finishing
  - **Compact rectangular design** for detailed work and tight spaces
  - Ideal for porcelain, ceramic tile, natural stone, and granite
- 

## Available Grits

- **#1 (60)** – aggressive shaping and chip removal
  - **#2 (200)** – medium smoothing and edge refinement
  - **#3 (400)** – fine finishing and polishing
- 

## Applications

- Removing chips after cutting
